Front Row Violins Installation - Windows (Using WinRar)
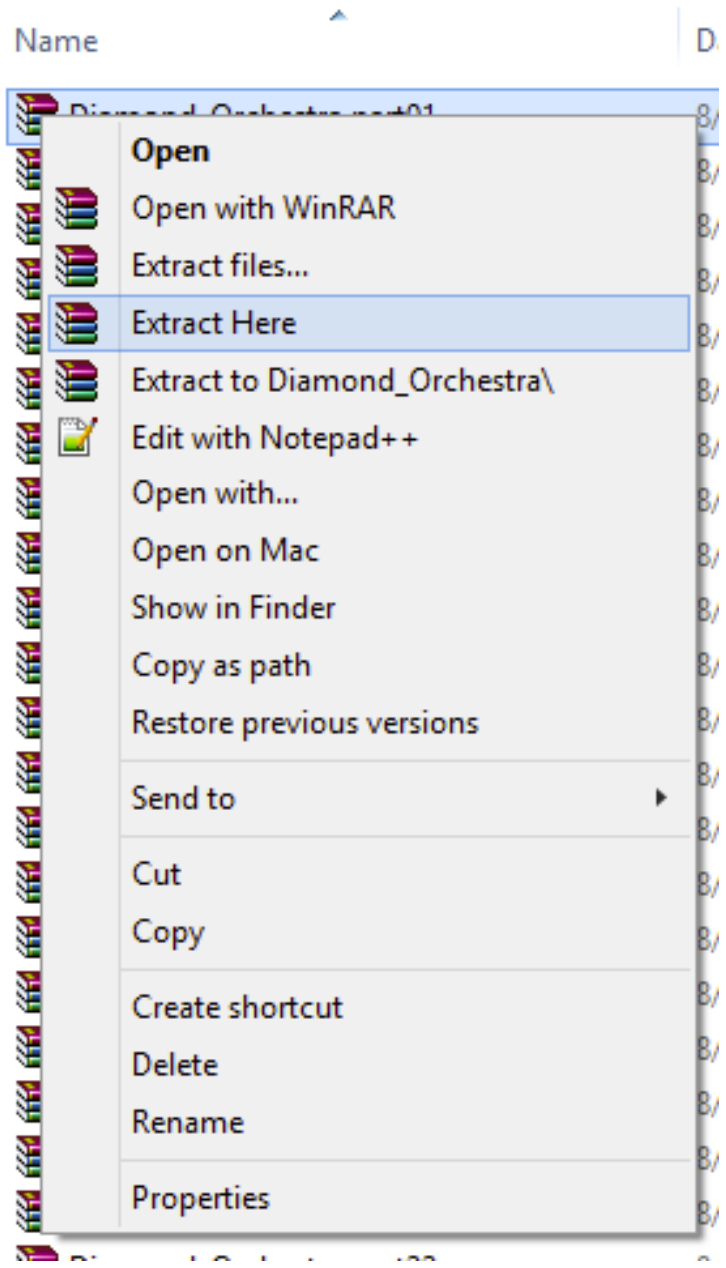

Download all .rar files from your download list.

By defaualt, you will need to download the files manually. However, you can try "Free Download Manager". If you wish to use this download manager, you can download it by clicking HERE. PLEASE NOTE that we do not provide any assistance for this manager. We just provide it to you as a possible easier way to download so many files. Try going online for the many tutorials available for this application's use and installation.
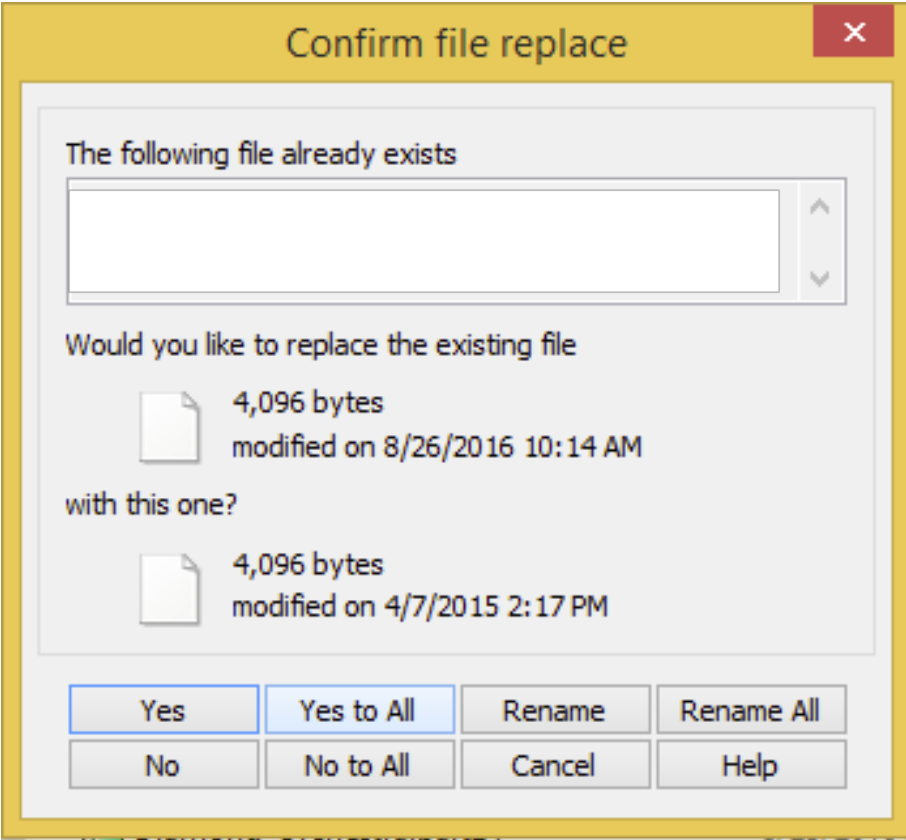

If you have WinRar:
From your windows explorer, navigate to the first .rar file.

Then, right-click it, and choose "Extract Here":
